Tuesday's business briefs

In Brief

Vein Specialists now in Bonita, too

Vein Specialists has leased 3,200 square feet for its Bonita Springs/Naples office in The Fountains Professional Park at 3359 Woods Edge Circle, Suite 102, in Bonita Springs. This is Vein Specialists' second location. The firm will keep its main office at 1510 Royal Palm Square Blvd., Suite 101, in Fort Myers.

The business will offer patients the VeinGogh Ohmic Thermolysis System that uses a probe to instantly remove spider veins, cherry hemangiomas, and skin tags from the face and body on any skin-type.

Vein Specialists' primary focus is in minimally invasive outpatient treatment of varicose veins and related problems such as swollen legs, spider veins, stasis dermatitis and venous ulcers.
